To Whom It May Concern:

**Re: Church & Dwight Co., Inc. Arm & Hammer™ Ammonium Bicarbonate Treated and Untreated Residual Solvents Declaration**

No Class 1, Class 2 Class 3 or other solvents are used in the manufacturing process for Ammonium Bicarbonate. Further, based on our knowledge of the manufacturing process and procedures, and controlled handling and storage of the ammonium bicarbonate, there is no potential for residual solvents to be present if tested.

Please feel free to contact me with any questions.
