**Re: Church & Dwight Co., Inc. – BASF Sodium Sulfite and Sodium Metabisulfite, US Food and Drug Administration (US FDA) Food Facility Registration, GMP and FSMA**

BASF Sodium Sulfite and Sodium Metabisulfite is manufactured at BASF SE, Carl Bosch Strasse, 67056 Ludwigshafen Germany.

As a food facility, this location is registered with US FDA and is otherwise current with the requirements under the Food Safety Modernization Act (FSMA). FDA Food Facility Registration number is confidential.

Additionally, the Ludwigshafen facility has third party confirmation of compliance with FDA: Current Good Manufacturing Practice, Hazard Analysis, and Risk-Based Preventive Controls for Human Food - 21 CFR Part 117, certification of their HACCP plan, FSSC 22000 certification and ISO 9001 certification. Accredited Certification Body: DQS GmbH, August-Schanz-Straße 21, 60433 Frankfurt am Main, Germany.

Actual import of Sodium Sulfite and Sodium Bisulfite into the US is handled by the North American affiliate of BASF and the requirements of Foreign Supplier Verification are fulfilled.
